

Franco Martufi *Certified Ohashiatsu Instructor*

Dear students,

This is information about the May 29 – June 6 2010 Advanced I course that we will teach on La Maddalena Island (Sardinia, Italy) in the *Vento Di Levante* school.

I chose to organize this course in this corner of paradise so that students can enjoy also some rest and vacation, possibly with friends and family.

Sam Berlind, senior COI from New York will be the course instructor. The course will be in English and will be translated in Italian.

One option for accommodation is to stay in the school where there is a large shared room with big changing rooms and showers for students to stay overnight for an extra charge of €10 per day. If you are interested please book your space; also be aware that you are responsible for blankets and towels.

If you prefer a different sort of accommodation: hotel, B&B, campsite, self-catering apartments, please call or write to our office (contact info below) to learn about special price arrangements with our school.

The course fee is €570. Register by April 30 for a discounted price of €535. Repeat students pay €260.

Getting to La Maddalena is easy and if you book in advance you can get very good fares: below you'll find the websites of the main transportation companies between Sardinia and the mainland.

Please note the requirements to be eligible to the course:
